The screenshot shows the iHerb.com checkout process at the 'Payment' stage. The browser address bar displays 'https://www.iherb.com/Checkout'. The page header includes the iHerb.com logo and navigation links: 'View Cart | My Account | Sign Out | Re-Order | Wish List'. A progress bar indicates the current step: 'Your Checkout Progress: Sign in > Shipping > Payment > Billing > Review', with 'Payment' being the active step.

The 'Payment' section is divided into two main areas:

- Credit Card Information:** A text block explaining security measures: 'When you submit sensitive information (such as credit card number), that information is encrypted and is protected with the best encryption software in the industry - (Secure Socket Layer). While on a secure page, such as our order form which is hosted in a secure data facility, the lock icon on the bottom of web browsers such as Netscape Navigator and Microsoft Internet Explorer becomes locked, as opposed to un-locked, or open, when you are just 'surfing'. We also use a variety of security technologies and procedures to help protect your personal information from unauthorized access, use, or disclosure once we receive it. For example, we store your personal information on computer systems located in limited access, secured facilities. iHerb.com's employees are trained and kept up to date on our security procedures. If you have any questions about the security at our website, you can send an email to security@iHerb.com.'
- Create and Select New Credit Card:** A form with the following fields:
 - Credit Card Number:** A text input field with a red error message below it: 'Please enter a valid Credit Card Number!'.
 - Expiration Date:** Two dropdown menus showing '10' and '2010'.
 - Cardholder's Name:** A text input field.
 - CVV2(Card Verification Value):** A text input field with a question mark icon.
 - Continue:** A yellow button.

At the bottom of the page, there are security logos: BBB RELIABILITY PROGRAM, McAfee SECURE TESTED 17-OCT, and COMODO AUTHENTIC SITE SECURED BY SSL. The date and time are shown as 'Sun Oct 17 2010 11:04:19 GMT+0200 (Central Europe Daylight Time)'. The footer contains the copyright notice: '© Copyright 1997-2010 iHerb Inc. All rights reserved.'

Po prvním nákupu a registraci se již přihlašujeme e-mailem a zvoleným heslem, bez vyplňování adresy a údajů kreditní karty.

Samozřejmě že musíme mít u platební karty povolené transakce přes internet, pokud se nechystáme nakupovat něco drahého, stačí nastavit limit pro platbu na maximálně 1500,-Kč.
